Vice Chair Report:

All were in attendance except Ana, Jeremy, and Julie. Also in attendance was Darren J, general member.

We discussed moving the ASC vote for convention chair to January due to the websites failed plug in.

This failure caused The nominees qualifications not to make it to the minutes, therefore we wouldn’t be complying with policy if we voted in December. The meeting ended at 11:46. The next meeting will be January 14th at 11am.

- Recordings must be less than 3 years old
- Minimum of 5 years of continuous clean time

Helpline:

We met at Club YANA on 12/5 and there were eight members in attendance. We were able to add a new member into the call rotation. We had two new members show up for their first business meeting. We also discussed the YAP program that the region uses and we will be discussing it further in January. With that being said, we are still in desperate need of trusted servants. Helpline will meet again, in person, again on 1/9 at Club YANA 7pm.

ILS,

Budget Details

- 1) We want no change from 2022 Budget
- 2) We used less than ¼ of our budget in 2022 because Smaller meetings, online meetings and detox has not met for approximately 2 months.
- 3) Our budget is based on going back in-person to all facilities, future presentations that have been requested from facilities not yet meeting. Current presentations increased attendance.
- 4) If we do add more H&I presentation we will need these funds to support meetings with more literature.
- 5) We want excessive funds in our budget to cover all new facilities if that were to happen.
- 6) Better to have a higher budget and use less of it than have a lower budget and presentations go without NA literature when budgeted funds run out.
- 7) Appropriating funds for Zoom meetings is not necessary. Those online presentations may go back to in person. Or if the generosity of donated funds for the platform ends we can use area's zoom account to facilitate our H&I presentations and business meetings online.
- 8) Pre COVID we were using a majority of this budgeted amount and can easily return with more presentations.
